requests everybody to page Mickes Bousos, the request applying especially to the police. Capt. Tsitsilianos is under \$1,000 bail on account of Mickes Bousos, and if Mickes is not returned to the Julian Line freighter Assos, at Pier 10 South Brooklyn, Capt. Tsitsilianos probably will not be able to take the Assos back to Piraeus, Greece, her home port, where there are several little Tsitsilianos waiting for papa to return.

The Assos left Piraeus on Aug. 20. When seven days out she was held up by the British patrol boat Geranium, which fired two shots across her bows. The shots alarmed Mickes Bousos, who had stowed away in the coal bunkers, and Mickes Bousos came hurtling up on deck only to be made a prisoner and put to work assisting the cook.

The Assos reached Brooklyn yesterday and Mickes Bousos promptly departed therefrom. Capt. Tsitsilianos reported the escape of Mickes Bousos and to his great surprise he was arrested by Deputy United States Marshal Schoenheit on a charge of failing to detain an alien and held in the aforesaid bail of \$1,000, American money.

That is why Capt. Nicholas Tsitsilianos urgently requests that Mickes Bousos be extensively paged.

ACTION ON HEINRICH ESTATE.

Daughter of Musician Asks to Be
Appointed Administratrix.

An application for letters of administration on the estate of Max Heinrich, musical conductor and author, was filed to-day in the Surrogate's Court. Heinrich left a widow, Mrs. Anna H. Heinrich, of San Diego, Cal.; two sons and five daughters.

One of the latter, Julia Caroline Heinrich, of No. 50 West Sixty-seventh street, who is a member of the Metropolitan Opera Company, asked to have herself appointed administratrix. The composer died Aug. 9. He was sixty-four years old.

DENTIST'S WIFE ENDS LIFE.

Woman Who Had Been Ill Four
Years Swallows Poison.

Mrs. Paula Lederer, wife of Dr. William J. Lederer, a dentist, killed herself with carbolic acid to-day in their home, No. 150 East Seventy-fourth Street. She had suffered four years with melancholia and often threatened to take her life.

Her death was discovered by her father, Jacob Frankel, when he called to inquire about her health. Her husband was in his office at the time.

Jim was a bachelor till he tasted the hot biscuits and cakes and pies Mary made so quickly and easily with D & C.

Well!—the first thing Mary will do in her new home is to say to her grocer—

An Unfailing Way
To Banish Hairs

(Beauty Notes)
Ugly hairy growths can be removed in the privacy of your own home if you get a small original package of delatone and mix into a paste enough of the powder and water to cover the hairy surface. This should be left on the skin about 2 minutes, then removed and the skin washed and every trace of hair will have vanished. No harm or inconvenience can result from this treatment, but be sure you buy real delatone. Advt.
